

As requested by the parish office, the Sisterhood of Faith's new meeting day will be the 1st Tuesday of the month at St. Philomena as those in attendance decided. **We hope to see everyone on July 2 at 6:00 at St. Philomena.**

Baptismal bibs:

Cathy V. was not in attendance to report back regarding her conversation with Father McCarthy, but Barbara had emailed everyone with her understanding of Father's wishes. Peggy brought a pattern that will be used for the baptismal bib for infants, and Mary Anne supplied fabric that should work for the outer layer. We still need a design for the embroidery that will go on both bibs and stoles (for older children/adults).

Raffle Quilt:

Anne completed the quilting of the queen-sized quilt. Susan will bind it, and Cathy Y. will make coordinating pillow shams. A vote was taken- raffle tickets will be sold for \$2 per ticket of 6 for \$10. The quilt will become a traveling exhibit for viewing at each location; a flyer will be shared in advance of the raffle which will take place this fall, sometime between the parish festival and Christmas.

Adams County Pregnancy Center:

The quilts made by the Sisterhood of Faith will be donated to the Adams County Pregnancy Center, date to be decided.

Collaborative Quilt:

Members agree that they enjoyed the collaborative creation of the raffle quilt and wish to work together on another project. **For the July 2 meeting, members are asked to bring fabrics in their favorite fall colors.**
